## 2018 Term 3 - Week 3

### From the Principal

Oh My Goodness! Here we are at Week 3 of Term 3. It feels like just yesterday that we were starting Week 1.

Term 3 has been incredibly busy and Term 4 is shaping up to be even busier.

### Queens Baton Relay

Our school was lucky enough to be chosen to host the Queens Baton Relay in February. There were a number of vehicles and support crew here at Ebor and we were able to each have a hold of the baton!

### Small Schools Swimming Carnival

The combined small schools swimming carnival was held on Monday 19<sup>th</sup> February with our school being named overall winner! We are so proud!

### A new cubby house!

One of the first things we did this year was to erect a cubby house for the students with A LOT of help from the parents. The Sandpit is the next project and is in the process of being built now near the boys fort.

### Disco

We held our first ever disco in Term 2 at the Showground hall. We invited Chandler Public School students and the Ebor community. It was a resounding success with plans to hold another one towards the end of the year.

### Anzac Day

Our students attended the Inaugural Anzac Day ceremony with special guests coming from Dorrigo.

### Finlaysons Sports Day

Once again our students displayed great sportsmanship at the Finlayson sports day earlier in the year.

### Pet Day Visit

We loved having Indi and her handler visit us in May. It showed us how to look after our animals.

### Education Week Awards

This year our Director Mr Pat Cavanagh was able to join us for our awards afternoon. He was very impressed with all of our students reports on the drought, commenting that they were very comprehensive!

Our awards for 2018 went to:

- Dedication to Learning-Mitchell Cook
- Certificate of Recognition-Lee Gardner
- Certificate of Appreciation- Ebor Motel/Hotel
- Certificate of Appreciation -Ebor P&C

### Sporting Schools Grant

This year in Term 2 and 3 we were successful in applying for the Sporting School Grant. This enables us to have tennis lessons with Brandon Burey each Wednesday morning.

### A BIG THANKYOU

I would like to extend a special thankyou to our School P & C and to the local businesses for their outstanding support of our wonderful school, we would be lost without them.

### Thankyou

### Lee Rose
